

OXIZYMES®

OXITENO AND ITS FOCUS ON HOME CARE AND I&I

**Solutions with higher
efficiency and safer for
people and the environment**

HOME CARE
AND I&I

SHAPING FRESH SOLUTIONS TOGETHER

DOING MORE
WITH LESS.

Oxiteno is committed
to one of today's
greatest challenges.

With our customers, we develop practical and highly efficient solutions that provide better yield and get better results for multiple uses and functions in cleaning and environmental care – whether in homes, or businesses.

THE ESSENCE OF OUR PILLARS

Our vision is to be the prompt partner in effective solutions for **Home, I&I and Personal Care** markets, anticipating needs and trends to our customers.

HOME CARE
AND I&I

OXIZYMES®

SMART TECHNOLOGY

OXIZYMES® is the result of an extensive study carried out by professionals at both Novozymes and Oxiteno, developing a solution containing surfactants and enzymes capable of delivering superior cleaning and enzymatic stability.

The partnership

OXITENO AND NOVOZYMES

Oxiteno and Novozymes worked together
to find the ideal combination between
surfactants and enzymes

The problem

STABILITY AND HIGH PERFORMANCE

Ensuring stability and high
performance are factors that entail
complexity and technical expertise.

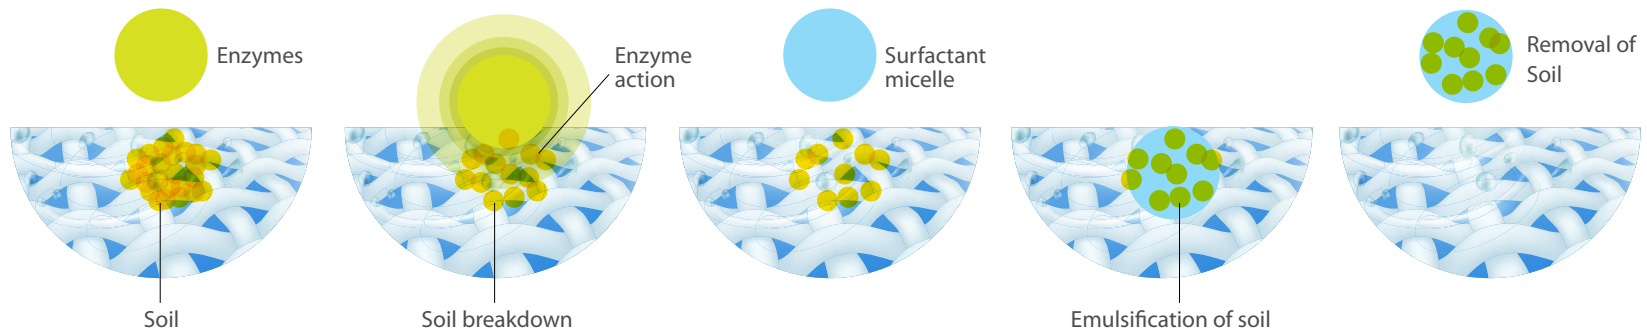

HIGH-PERFORMANCE AND CONVENIENCE

OXIZYMES® is a solution for laundry liquid detergents that contain surfactants and enzymes capable of delivering superior cleaning and enzymatic stability even at a low surfactants levels. This solution promotes deep and effective cleaning of the toughest stains, is gentle to fabrics and made from renewable raw materials.

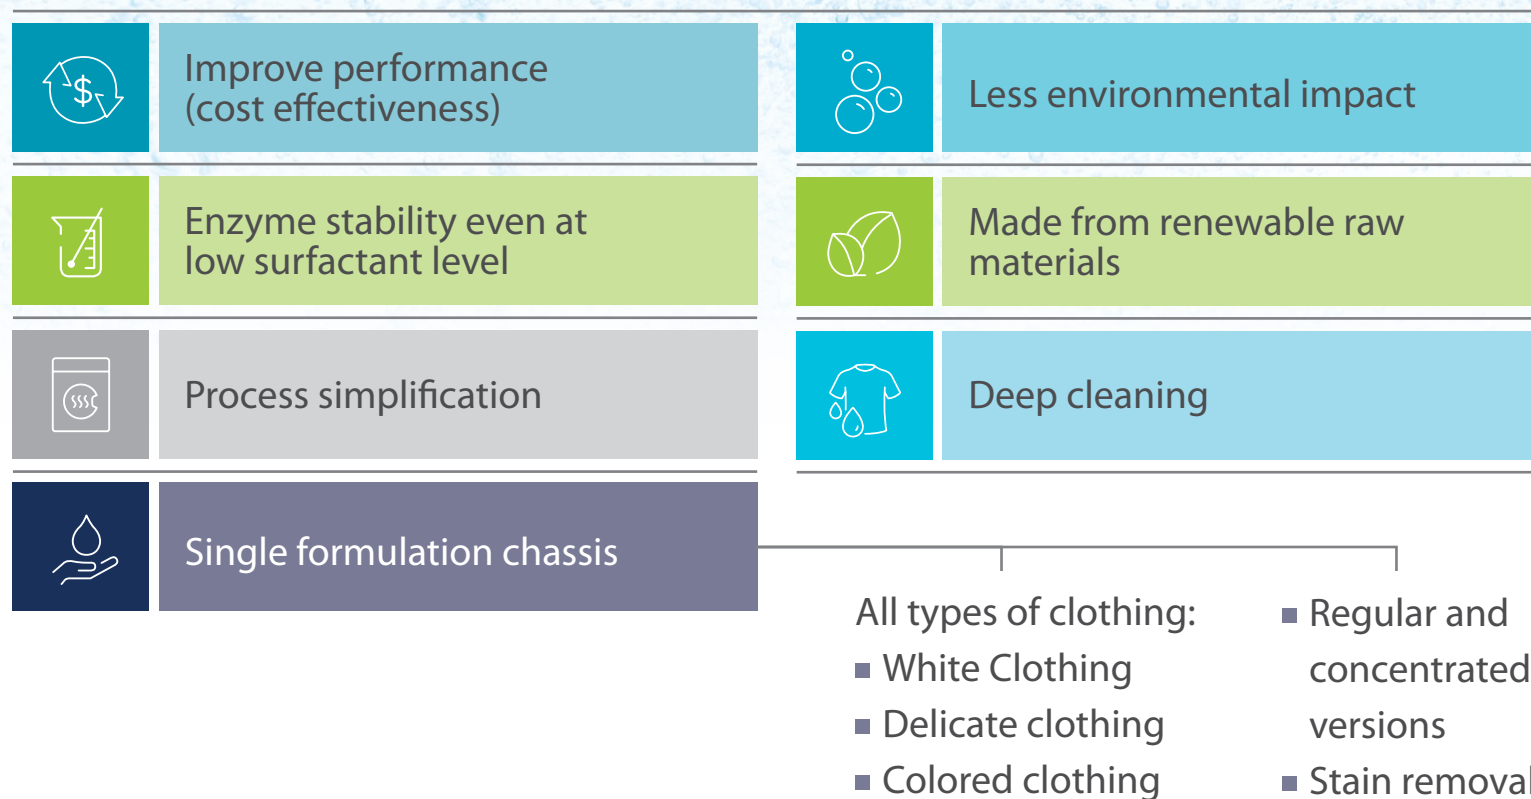

MULTI-ENZYMATIC DETERGENTS

IN LAUNDRY LIQUID DETERGENT FORMULATIONS, ENZYMES WORK AS CHEMICAL REACTION CATALYSTS WHICH TOGETHER WITH A COMPLEX SYSTEM OF SURFACTANTS HELP IN STAIN REMOVAL.
