

PHARMACEUTICAL EXCIPIENTS

THE OXIPURITY® DIFFERENCE

OXITENO

A RELIABLE AND FLEXIBLE PARTNER OF POLYETHYLENE GLYCOLS AND DERIVATIVES

CREDIBILITY

Quality assurance
Globally recognized
certifications and
accreditations

CONSISTENCY

Supply Reliability
World-scale Production
Global Leader in EO
derivatives

KNOW-HOW

Commitment to Pharmaceutical
Customers
Global R&D and TS&D to
offer product expertise
and technical support

OXIPURITY® SERIES

Excellence in product quality and safety, regulatory compliance
and supply reliability to meet the pharma industry needs.

Liquid Medications
Syrups, Elixirs, Nose & Ear drops

OXIPURITY® 4000

Product	Nomenclature	Main functionalities				
OXIPURITY® 4003 U	PEG 300	Solubility enhancer, Plasticizer, Solvent/ Co-solvent, Filler, Coating Formulation	●	●	●	●
OXIPURITY® 4004 U	PEG 400	Solubility enhancer, Plasticizer, Solvent/ Co-solvent, Filler, Coating Formulation	●	●	●	●
OXIPURITY® 4006 U	PEG 600	Solubility enhancer, Filler		●		
OXIPURITY® 4010 U	PEG 1000	Solubility enhancer, Water-soluble base, Consistency agent				●
OXIPURITY® 4015 U	PEG 1500	Solubility enhancer, Water-soluble base, Consistency agent				●
OXIPURITY® 4033 U	PEG 3350	Water-soluble base, Consistency agent, Plasticizer, Coating Formulation	●			●
OXIPURITY® 4040 U	PEG 4000	Water-soluble base, Consistency agent, Plasticizer, Coating Formulation	●			●
OXIPURITY® 4060 U	PEG 6000	Water-soluble base, Consistency agent, Viscosity modifier, Moisture retention				●
OXIPURITY® 4080 U	PEG 8000	Binder, Filler, Plasticizer, Water-soluble base, Consistency agent				●

Oxitenó's history
reflects a long-term
commitment to you
